Protocol for Filming, interviews and/or Photography

Please note the following stipulations for filming and or photography within the London Central Mosque Trust premises.

- All requests for filming, interviews and/or photography of the London Central Mosque must be addressed in a letter, headed by the institute (of study) that you are a member of.
- A request form will need to be completed and signed in addition to a memorandum of understanding between the individual/institute and the London Central Mosque. This is available from office 212 in the administration block.
- All identification of the institute/organisation that you are a member of must be brought with you in addition to a photographic ID (passport or driving licence).
- All accepted requests will have a minimum location fee of £300 to pay, depending on the purpose, length of filming and what is being filmed/interviewed and/or photographed.
- Please note that your request will not progress if the above stipulations are not met.

Note for Students

Your location fee is £10 if your request is accepted by the management team. All the aforementioned documentation is also required.

Thank you for your cooperation.

Please do not hesitate to contact us if there is any further clarification needed.
