4. CEMETERIES

This section provides the contact details of the cemetery office of each borough as well as a list of the cemeteries run by the borough council. Not all the listed cemeteries may have space for 'new' burials. ***Cemeteries with confirmed Muslim burial facilities have their names in italics.*** Your borough and local mosque will help you with further details of local cemeteries and the facilities that they offer for Muslims.

As a general rule, cemeteries offer burials for those deceased that were resident in the

borough. Cemeteries outside the borough may charge a higher burial fee. If you need to use a cemetery that is out of your borough it is recommended to contact Ibrahim Patel at Garden Of Peace cemetery.
